What to do

Take your time and walk at your own pace. Write down the location (street/house number/your best description) of where each piece of architecture is in the space provided. **Hint- There are three bonus clues located in the Historical Society.**

When you've searched everywhere you possibly can **hand this brochure back in**, (even if you don't have all the answers) for a **chance to win a prize!**

August 5th at the Blueberry Festival will be the last day to hand them in.

In the case of multiple correct entries winners are drawn from a hat. Only one prize per family.

The Montrose Historic District was designated in 2011. It is comprised of 386 contributing buildings and two building sites all built between 1812 and 1935. For additional information on our Historic District and what it means to our town, our state, our country **visit the Historical Society** or Call **570-278-1881**

Did you know?

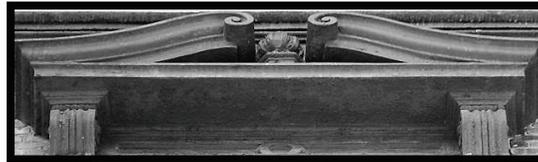

In 2017 the library will be moving to a new location in order to expand with their ever growing collection, and we will be taking over the whole building here on Monument St. to do the same for our collection!
